¡Juega aquí las cartas de ataque del Jefe!

INCURSIÓN MAX

The image shows four empty Pokémon attack card templates arranged in a 2x2 grid. Each card has a colored tab at the top with three stars. The top-left and top-right cards have teal tabs with one outlined star and two solid stars. The bottom-left card has a blue tab with one outlined star and two solid stars. The bottom-right card has a purple tab with three solid stars. Each card has a large rectangular area for the attack name and a smaller area at the bottom for the attack power, both with a dotted background. The cards are connected by lines: a horizontal line between the top two, a horizontal line between the bottom two, and a vertical line between the left two. A curved line connects the right side of the top-right card to the left side of the bottom-right card.
